B. Author Warranties and Declarations

The undersigned author(s) of the above manuscript (the "Work") submitted to NextGen Journal - Medicine (the "Journal") declare and warrant that:

1. The Work is original, has not been published previously in whole or in part (except as an abstract or thesis), and is not under consideration by any other journal or publisher.
2. All persons listed as authors meet authorship criteria (ICMJE / CRediT), have approved the final version, and no qualifying contributor has been omitted.
3. The Work contains no unlawful, defamatory or plagiaristic material and does not infringe the copyright, patent or other rights of any third party. Written permission has been obtained for all third-party material (figures, tables, images, data) and is enclosed.
4. Studies involving human participants, patient data or animals were approved by the relevant ethics committee and conducted per the Declaration of Helsinki, ARRIVE guidelines and applicable regulations. Informed consent was obtained, and patient identity is protected.
5. All financial and non-financial conflicts of interest and sources of funding have been disclosed in the manuscript.
6. Data, code and device descriptions are reported accurately; no data were fabricated, falsified or inappropriately manipulated; and any use of generative AI tools has been disclosed.

C. Grant of Rights (select ONE option)

☐ **Option 1 – Licence to Publish (Open Access, CC BY 4.0).** The author(s) retain copyright and grant the Journal a non-exclusive, worldwide, perpetual licence to publish, reproduce, distribute, archive and index the Work. The Work is published under the Creative Commons Attribution 4.0 International licence, permitting others to share and adapt it with proper attribution.

☐ **Option 2 – Transfer of Copyright.** The author(s) assign to the Journal/Publisher all copyright in the Work, including the exclusive right to reproduce, distribute, translate, adapt and communicate the Work

in all media now known or later developed, effective upon acceptance for publication. If the Work is not accepted, this assignment is void.

D. Rights Retained by the Author(s)

In either case the author(s) retain: (i) patent, trademark and other proprietary rights; (ii) the right to use the Work in teaching, research and in their own further work with proper citation; (iii) the right to deposit the accepted manuscript or published version in institutional or funder repositories, with citation to the Journal and DOI; and (iv) moral rights, including the right to be identified as author.

E. Publisher's Rights and Obligations

The Journal may edit the Work for style, clarity and format, may deposit it in indexing and archiving services, and will credit the author(s) in all uses. Any corrections, retractions or expressions of concern will be handled according to COPE guidelines. The Journal will not charge for reading access unless otherwise stated in its published policy.

F. Governing Law

This Agreement is governed by the laws of [Jurisdiction]. Disputes shall be resolved first through good-faith negotiation and, failing that, in the courts of [Jurisdiction].

G. Signatures

By signing, each author confirms that the information above is accurate and agrees to the terms of this Agreement. Add pages for additional authors if needed.
